

HOME ENERGY CONSERVATION PROGRAM

ARE YOU AN ENBRIDGE CUSTOMER CONSIDERING HOME ENERGY UPGRADES?

Enbridge is proud to offer the Home Energy Conservation program which provides incentives up to **\$2,100** to qualified homeowners. To qualify, the home **MUST**:

- 1 Reside in one of the designated communities specified for 2016*
- 2 Have an active Enbridge Gas account in good standing and the primary heat source for the home must be natural gas
- 3 Use an **Enbridge approved** Certified Energy Auditor (CEA)
- 4 **Complete at least two** of the following nine upgrades as recommended by the CEA and achieve a minimum 25% annual gas savings**
 - Attic insulation upgrade
 - Wall insulation upgrade
 - Basement wall insulation upgrade
 - Exposed Floor Insulation
 - Air sealing (minimum reduction of at least 10% as measured by a blower door test)
 - Window replacements
 - High-Efficiency Space heating system installation (gas furnace/boiler)
 - High-Efficiency Water heating system installation (gas)
 - Drain Water Heat Recovery system installation
- 5 Complete pre- and post-energy audits from the same Enbridge approved CEA by November 30, 2016

EARN UP TO \$2,100 IN INCENTIVES

\$1,600

Achieve 25% - 49% gas savings as per final energy audit

\$500 covering the full energy audit costs, not including HST

- An instant rebate of **\$150** will be applied to the first audit and **\$350** for the remainder of the audit cost will be reimbursed in the total remaining incentive amount.

Total amount of incentive to homeowner is **\$1450**

\$2,100

Achieve 50% or above in gas savings as per final energy audit

\$500 covering the full energy audit costs, not including HST

- An instant rebate of **\$150** will be applied to the first audit and **\$350** for the remainder of the audit cost will be reimbursed in the total remaining incentive amount.

Total amount of incentive to homeowner is **\$1950**

To find out if you can reach 25% annual gas savings, a pre- and post-home energy audit is required by an Enbridge approved Certified Energy Auditor (CEA). Additional information on the program can be found at knowyourenergyscore.ca. Program may be subject to change or cancellation without notice at any time.
