Re: Kevin Tam

Kevin is a recent graduate from the University of Ottawa, recipient of a joint degree in Communications and Political Science. Following a national competition with hundreds of applicants, he has been selected by Global Vision Canada to become a Junior Team Ambassador for the trade mission to China from July 25 – August 9, 2018.

Kevin, along with 34 other young Canadians, has demonstrated leadership and communications skills, as well as an ability to work well as a team member. Most importantly, he is committed to his community and our country. He has helped organize a fund-raising event for those affected by the earthquake in Nepal; he has assisted in an activity program in a senior's home; he has volunteered at the Breast Cancer Association events, and in the Orléans community clean-up. Kevin has also been very active with the Orléans Food Drive.

As part of this endeavour with Global Vision, Kevin is responsible for partnering with businesses, governments, educational institutions and organizations in order to raise \$6,000 in sponsorship.

I would encourage you to support Kevin in his efforts. He is well-deserving of our support.

Thank you in advance for your generosity and consideration.

Yours sincerely,

Hon. Andrew Leslie, M.P.
